## 7. Reset the Key Box

Under Tuya smart APP setting, you can click the "**Remove Device**" and choose the "**Disconnect and Wipe Data**" to reset the lock, then the lock will be set to factory state,

you can use any fingerprint to unlock the lock, also the other user can add the lock on their mobile APP; Or you can hardware reset the lock, please refer to page 5.

### Refer page 5 to reset the Key Box

## 8. Troubleshoot and Solution(FAQ)

#### **Question 1:**

#### Can I unlock the door with my fingerprint for the first time?

Answer: After you finish the installation and power on the lock with 4pcs AAA alkaline battery and you can press any fingerprint to unlock the door, to ensure you can access the door before you configure the lock with mobile APP.

#### Question 2: What kind of battery shall we use?

Answer: This lock is highly recommended to be powered on by 4pcs AAA alkaline battery, do not use any other batteries or other Zn/Mn batteries!

#### Question 3: Is the lock auto locked?

Answer: After you unlock the door one time, the door will wait for the lock after 5 seconds, close the "Front-panel" to lock.

#### **Question 4:**

# I bought one lock for my friend, how can he add the lock with his mobile?

Answer: Please remove this device from your mobile App you can click the "**Remove Device**" and choose the "**Disconnect and Wipe Data**" to reset the lock, or refer to page 5 for more options.

#### **Question 5:**

#### Can I charge the lock box via the Type-C port?

Answer: This Type-C port is only for emergency use with the power bank to unlock the key box, it is forbidden to charge the device with this port, when the low power alarm triggers, please replace the batteries in time!

#### **Question 6:**

#### I insert the manual key and turn but I can not unlock the box.

Answer: Please insert the manual key and Opening and closing panel unlocking, refer to the photo below:

#### Question 7: Is it possible to remotely unlock my door?

Answer: One extra gateway is required for remote unlock, please turn to our sale service line, after configuration, you can press the icon on the app to remote unlock.
